

# Curriculum Vitae

**1.Department of:** Urology  
**Specialty :** Urology & Kidney transplantation & Endourology  
**Scientific level :** Associate Professor of Urology  
**2.First Name:** Mohammad Reza  
**3.Last Name:** Darabi Mahboub  
**Title :** Professor  
**Date and place of birth :** 1958 – Fredows – Khorasan IR of IRAN  
**Nationality :** IRANIAN  
**Gender :** Male  
**Material status :** Married , 4 Children  
**4.Address:**

**Office:** Urology ward, Imam Reza Hospital Mashhad- Islamic Republic of IRAN

**Home: : No: 10 , 8<sup>th</sup> Felestin .Felestin Blv.Mashhad.IRAN**

## 5. Tel:

**Office:** +98 511 8598946 , +98 511 8549749

**Home: +98 511 7615922**

**6.Fax:** +98 511 8591057 , +98 511 8549749

**7.E-mail:** [j\\_darabi@yahoo.com](mailto:j_darabi@yahoo.com)

## *8.EDUCATIONAL AND PROFESSIONAL BACKGROUND:*

2000 – Present : Associate Professor of Urology Mashhad University of Medical Sciences and Health services . Mashhad – IRAN

1995 – 2000 : Assistant Professor of Urology Mashhad University of Medical Sciences and Health Services . Mashhad – IRAN

1994 – 1995 : Train in Endourology Surgery in Shahid Beheshti University of Medical Sciences and Health Services Tehran IRAN and Assistant Professor of Mashhad University of Medical Sciences.

1991 – 1994 : Assistant of Professor of Urology Zahedan University of Medical Sciences and Health Services . Zahedan – IRAN

1989 – 1991 : Residency in Urology – Mashhad University of Medical Sciences – Mashhad – IRAN

1977 – 1986 : Under Gradaute Program Medicine School Mashhad University of Medical Sciences and Health Services . Mashhad – IRAN

## **Employment :**

2005 – Present: Chief of Urology ward . Imam Reza Medical center Mashhad University of Medical Sciences and health Services . Mashhad – IRAN

2000 – 2005 : Vice Chancelor for Student and Cultural Affair Mashhad University of Medical Sciences Mashhad and Health Services . Mashhad - IR – IRAN

1995 – 2000 : Member of National Perboard of Urology

1992 – 1994 : Chairman of Kntamolambia Medical Center Zahedan University of Medical Sciences and Health Services . Zahedan – IR – IRAN

1992 – 1993: Vice Chancellor for Research and Education Khatamolanbia Medical Center Zahedan University and Health Services Zahedan – IR – IRAN

1991 – 1994: Member of Medicine Consultation Cystan and Baluchestan - Providence Zahedan – IR – IRAN

## *9. Research interests:*

## *10. Publications:*

### **Papers:**

1. Taghavi: R, Mahdavi: R, Darabi: MR. "Renal Transplantation and Ureteroneocystostomy(living and cadaveric)". [Nov 2003](#), Transplantation proceedings. Vol 35, P : 2660-2661, Keywords : Renal Transplantation , Cadaveric donor , Ureteroneocystostomy .
2. Taghavi:R, Darabi: M.R, " Effects of Tetracycline in Treatment of Gonococcal and Non-Gonococcal Urethritis; The First Choice". [1993](#) , Medical journal of Mashhad University of Medical Sciences. vol:36, No:43-44. P:47-33 , Keywords : Gonococcal Urethritis , Non-Gonococcal Urethritis , Tetracycline .

#### *Paper Presentation and International Meeting :*

- 1- "PREVENTING RETROGRADE STONE DISPLACEMENT DURING PNEUMATIC LITHOTRIPSY FOR URETERAL CALCULI USING LIDOCAINE JELLY", 29<sup>th</sup> World Congress of Endourology & SWL(WCE), Kyoto – Japan, 30 Nov – 3 Dec 2011
- 2- " Oral Androgen Deprivation Therapy", Mashhad – IRAN , 8 Sep 2011
- 3- "Endoscopic treatment of urinary stones", Program of Internal Training Programs 7 , Mashhad – IRAN , 14 July 2011
- 4- "Evaluation of Professors view points about the criteria of a good university professor", 12<sup>th</sup> National Conference of Medical Education, Mashhad – IRAN , April 30 to May 2, 2011
- 5- " Evaluation of students view points about the criteria of a good university professor", 12<sup>th</sup> National Conference of Medical Education, Mashhad – IRAN , April 30 to May 2, 2011
- 6- "Optimum therapy for lower ureteral stone: ESWL or TUL" , 13th congress of Iranian Urological Association, Tehran , IRAN , 13 – 16 May 2010
- 7- "Ratios of free to total prostate – specific antigen and total prostate – specific antigen to protein concentrations in saliva and serum of healthy men", 13th congress of Iranian Urological Association, Tehran , IRAN , 13 – 16 May 2010
- 8- "Ratios of free to total PSA and total PSA to protein concentrations in saliva and serum of healthy men", 30<sup>th</sup> congress of the societe internationale d'urologie , Shanghi , China , 1 – 5 Nov 2009

- 9- Ureteroscopy and tranureteral lithotripsy in pregnancy , Is it safe, 12<sup>th</sup> congress of Iranian Urological Association , Tehran – IRAN , 14 – 17 May 2009
- 10- Comparison of the results and complications between standard and tubeless PCNL , 26<sup>th</sup> World Congress of Endourology & SWL , Shanghai International Convention Center , Shanghai , China , 30 Nov – 3 Dec 2008
- 11- Renal stones treatment by percutaneous nephrolithotomy (PCNL), 26<sup>th</sup> World Congress of Endourology & SWL , Shanghai International Convention Center , Shanghai , China , 30 Nov – 3 Dec 2008
- 12- Complication of percutaneous nephrolithotomy 2500 patients with renal stone , Shanghai International Convention Center , Shanghai , China , 30 Nov – 3 Dec 2008
- 13- .V.S: A successful technique in treatment of the patients with stress urinary incontinence , Shanghai International Convention Center , Shanghai , China , 30 Nov – 3 Dec 2008
- 14- Assessment of sexual function (Libido, potency, fertility) in patients before and after renal transplantation , 11<sup>th</sup> Congress of the middle East Society for Organ Transplantation , Shiraz – IRAN , 17 – 20 Nov 2008
- 15- Ureteroscopy and transureteral lithotripsy in pregnancy, Is it safe ? , 3<sup>rd</sup> Iranian Endourology & Urolaparoscopy Society , Tehran , IRAN , 29 – 31 Oct 2008
- 16- Optimum therapy for lower ureteral stone: ESWL or TUL , 3<sup>rd</sup> Iranian Endourology & Urolaparoscopy Society , Tehran , IRAN , 29 – 31 Oct 2008
- 17- Torsion of testis , Iranian Association of Surgeon , Mashhad – IRAN , 23 – 25 Oct 2008
- 18- Percutaneous Nephrolithotomy in Horseshoe Kidney , 9<sup>th</sup> Asian Congress of Urology (ACU) , New Delhi – INDIA , 2 – 5 Oct 2008
- 19- Iranian Congress of Renal Transplantation , 16 – 18 July 2008 , Mashhad – IRAN
- 20- Darabi M.R. , Ahanian A. : “ Assessment of outcomes of a new closed surgical technique for hydrocele operation and comparison with standard excisional techniques in patients referring to educational hospitals of Mashhad University.”. 29<sup>th</sup> Congress of Societe International d’Urology SIU , Paris 2007
- 21- Darabi M.R. , Ahanian A. : “ Assessment of outcomes of a new closed surgical technique for hydrocele operation and comparison with standard excisional techniques in patients referring to educational hospitals of Mashhad University.”. 29<sup>th</sup> Congress of Societe International d’Urology SIU , Paris 2007
- 22- Darabi M.R. , Tayebi Meybodi N. , Mahdavi R., Arab D. : “P 53 Protein in Serum and Urine Samples of Patients with Bladder Transitional cell Carcinoma and Its Overexpression in Tumoral Tissue”. 29<sup>th</sup> Congress of Societe International d’Urology SIU , Paris 2007
- 23- Darabi M.R. : “Percutaneous nephrolithotomy (PCNL) in horseshow kidneys”. 9<sup>th</sup> congress of Iranian Urological Association , Tehran – IRAN 2006
- 24- Darabi M.R. : “PCNL update” . 9<sup>th</sup> congress of Iranian Urological Association , Tehran – IRAN 2006
- 25- Darabi M.R. : “Transplantation lithotripsy in pediatrics” . 5<sup>th</sup> congress of Iranian Urological Association , Tehran – IRAN 2002

- 26- Darabi M.R. : “Percutaneous nephrolithotomy in renal stones” . 5<sup>th</sup> congress of Iranian Urological Association , Tehran – IRAN 2002
- 27- Darabi M.R. : “Percutaneous nephrolithotomy in pediatrics” . 6<sup>th</sup> congress of Iranian Urological Association , Tehran – IRAN 2003
- 28- Darabi M.R. : “Evaluation sexual function and dysfunction in CRF patients before and after renal transplantation” . 4<sup>th</sup> congress Organ Transplantation . Tehran – IRAN 2002
- 29- Darabi M.R : “Percutaneous nephrolithotomy in pediatrics” . 14<sup>th</sup> International Congress of Pediatrics. Tehran – IRAN 2002
- 30- Taghavi R. , Mahdavi R. , Darabi M.R. : “Highrate of primary function in cadaveric kidney ...” . Congress Kidney Transplantation . Tehran – IRAN 2004
- 31- Darabi M.R. , Taghavi R. , Mahdavi R. : “Assessment of sexual function” . Congress Kidney Transplantation . Tehran – IRAN 2004
- 32- Mahdavi R. , Darabi M.R. , Taghavi R. : “Extensive ureteral stricture in transplant kidney and management with pyelo-pyelostomy” . Congress Kidney Transplantation . Tehran – IRAN 2004
- 33- Darabi M.R. , Taghavi R. , Mahdavi R. : “Complication of percutaneous nephrolithotomy in 900 patients with renal stone” . The 1<sup>st</sup> congress of Iranian Endourology and Urolaparoscopy Society. Tehran – IRAN 2004
- 34- Taghavi R. , Darabi M.R. , Mahdavi R. : “PCNL in patients with and without history of renal surgery” . The 1<sup>st</sup> congress of Iranian Endourology and Urolaparoscopy Society. Tehran – IRAN 2004
- 35- Darabi M.R. , et al : “Results of percutaneous nephrolithotomy (PCNL) in the lower calyceal stones” . The 1<sup>st</sup> congress of Iranian Endourology and Urolaparoscopy Society. Tehran – IRAN 2004
- 36- Darabi M.R. , Taghavi R. : “Comparison of the results and complications between standard and tubeless percutaneous nephroliothotomy” . The Second of congress of the Iranian Endourology and Urolaparoscopy Society. Tehran – IRAN 2006
- 37- Darabi M.R. , Taghavi R. , Mahdavi R. , Ahmadnia H. : “Percutaneous nephrolithotomy in horseshoe kidney” . The Second of congress of the Iranian Endourology and Urolaparoscopy Society. Tehran – IRAN 2006
- 38- Darabi M.R. , Taghavi R. , et al : “Results of percutaneous nephrolithotomy (PCNL) in the lower calyceal stones” . 22<sup>nd</sup> world congress on Endourology and SWL Mumbia – India 2004
- 39- Taghavi R. , Darabi M.R. , et al : “PCNL in patients with and without history of renal surgery” . 22<sup>nd</sup> world congress on Endourology and SWL Mumbia – India 2004
- 40- Ahmadnia H. , Darabi M.R. , et al : “Percutaneous nephrolithotomy in acute and chronic urinary tract obstruction” . 19<sup>th</sup> world congress Endourology and SWL Bankor. Thailand 2001
- 41- Darabi M.R. , et al : “Percutaneous nephrolithotomy (PCNL) in the treatment of renal stones” . 19<sup>th</sup> world congress Endourology and SWL Bangkok. Thailand 2001
- 42- Darabi M.R. , Mahdavi R. : “Bilateral same session Ureteroscopy” . 19<sup>th</sup> world congress Endourology and SWL Bangkok. Thailand 2001
- 43- Darabi M.R. , Mahdavi R. , Taghavi R. : “Percutaneous nephrolithotomy in transplanted kidney stone” . The VIII International congress of the Middle Eseat Society for Organ Transplantation. Muscat , Sultante of Oman 2002

- 44- Taghavi R., Mahdavi R. , Khammar M.A. , Darabi M. : “Renal transplantation and ureteroneostomy” . The VIII International congress of the Middle East Society for Organ Transplantation. Muscat , Sultanate of Oman 2002
- 45- Mahdavi R. , Khammar M.R. , Taghavi R. , Darabi M.R. : “Uretero cystoplasty and renal transplantation” . The VIII International congress of the Middle East Society for Organ Transplantation. Muscat , Sultanate of Oman 2002
- 46- Taghavi R. , Darabi M.R. , Tavakoli K. : “Survey of the effect of tamsulosin and nifedipine on .....” . 23<sup>rd</sup> world congress on Endourological and SUI Amsterdam the Netherlands 2005
- 47- Mahdavi R., Taghavi R. , Darabi M.R. : “Transureteral lithotripsy with pneumatic litholast” . 23<sup>rd</sup> world congress on Endourological and SUI Amsterdam the Netherlands 2005
- 48- Darabi M.R. , Taghavi R. : “Comparison of the results and complications between standard and tubless PCNL”. 23<sup>rd</sup> world congress on Endourological and SUI Amsterdam the Netherlands 2005

## *11.Conferance Presentations: (After 2000)*

### *Certification :*

1. 26<sup>th</sup> Congress of the Societie International d'Urology , Stockholm – Swedom , Sep 8-12 2002
2. Work shop International Treatment for Urinary Stone , Tehran – IRAN , 2005
3. Congress less invastine treatment for localized prostatic cancer , Tehran \_ IRAN , 2005
4. International renal transplantation and platine congress , Tehran – IRAN , 2004
5. 3th Congress Iranian Laparoscopy , Tehran – IRAN , 2003
6. Work shop Laparoscopy in upper urinary tract , Tehran – IRAN , 2003
7. 6<sup>th</sup> Congress of the society Iranian urology , Tehran – IRAN , 2003
8. 5<sup>th</sup> Congress of the society Iranian urology , Tehran – IRAN , 2003
9. National pediatric renal deases congress , Zahedan – IRAN , 2001
10. Oncology Congress , Uromia – IRAN , 2001
11. 12<sup>th</sup> congress of the European Society for organ transplantation , Geneva – Switzeland , 15-19 Oct 2005
12. 21th World congress On-Endourology , Montral – Canada , Sep 2003
13. 19<sup>th</sup> World congress On-Endourology and SWL , Bankogh - Thailand , Nov 2001
14. 22th World congress On-Endourology and SWL , Mumbia – India , Nov 2004
15. First international Iranian congress on cancer , Mashhad – IRAN , Sep 2002
16. Millenium International Urology Congress , Now Dehli – India , Nov 2000
17. 23th World congress On-Endourology and SWL , Amesterdam – The Nethenland , Agu 2005
18. 4<sup>th</sup> Scietific seminar of the Iranian student in India , Poona – India , Feb 1993
19. The first Iranian Anatomy congress , Kerman – IRAN , 1993
20. Work shop out patient cyctoscopy Milad hospital , Tehran – IRAN , Apr 2002
21. Work shop Adumtes in laparoscopic surgery conference provided by Anak health , Dubai , Jan 2006
22. IX th congress of the Middle East Sociaty for Organ Transplantation December 6 – 10 2004 , Ankara , Turkey
23. The first international work shop on laparoscopy in urology July 4 – 6 2007 Tehran – IRAN
24. 29<sup>th</sup> Congress of Societe International d'Urology (SIU) , Paris – France , 2 – 6 Sep 2007
25. 11<sup>th</sup> congress of Iranian urological association , Tehran – IRAN , May 20 – 1 June 2008
26. Iranian Congress of Renal Transplantation , 16 – 18 July 2008 , Mashhad – IRAN
27. 9<sup>th</sup> Asian Congress of Urology (ACU) , New Delhi – INDIA , 2 – 5 Oct 2008
28. Iranian Association of Surgeon , Mashhad – IRAN , 23 – 25 Oct 2008
29. 3<sup>rd</sup> Iranian Endourology & Urolaparoscopy Society , Tehran , IRAN , 29 – 31 Oct 2008
30. 11<sup>th</sup> Congress of the middle East Society for Organ Transplantation , Shiraz – IRAN , 17 – 20 Nov 2008
31. 26<sup>th</sup> World Congress of Endourology & SWL , Shanghai International Convention Center , Shanghai , China , 30 Nov – 3 Dec 2008
32. 12<sup>th</sup> congress of Iranian Urological Association , Tehran – IRAN , 14 – 17 2009
33. 8<sup>th</sup> Iranian Sociaty of Organ Transplantation congress , Tehran , IRAN, 10 – 11 May 2009

34. 30<sup>th</sup> congress of the societe internationale d'urologie , Shanghi , China , 1 – 5 Nov 2009
35. 13<sup>th</sup> congress of Iranian Urological Association, Tehran , IRAN , 13 – 16 May 2010
36. 12<sup>th</sup> National Conference of Medical Education, Mashhad – IRAN , April 30 to May 2, 2011
37. Program of internal training programs 7 , Mashhad – IRAN , 14 July 2011
38. Seminar on the diagnosis and treatment of prostate cancer, Mashhad – IRAN, 8 Sep 2011
39. 29<sup>th</sup> World Congress of Endourology & SWL(WCE), Kyoto – Japan, 30 Nov – 3 Dec 2011

## 12 .Theses :

### A. Specialty Thesis :

- 1- A comparison of the effect of desmoperessin and morphine with morphine and placebo in acute renal colic, Dr A.R. Delijani , No: 2490-T, 2011
- 2- Evaluation study between tention – free vaginal tape (TVT) and transobturator tape (TOT) in treatment stress incontinence in female referred to Imam Reza Hospital, ZH. Sheikhi , No: 2288 – T , May 2011
- 3- Preventing retrograde stone displacement suring pneumatic lithotripsy for ureteral calculi using lidocaine jelly, Dr: B. Pedram rad, No: 2122- T , August 2010
- 4- Assessment of outcomes of a new closed surgical technique for hydrocele operation and comparison with standard exisional technique in patients reffring to education hospitals of Mashhad university , Dr : A. Ahanian , No : 1801-T , 2007
- 5- The correlation of urine and serom P53 protein and P55 protein over expression in tumor of patient with transitional cell carcinoma of uring bladder , Dr D. Arab , No : 1831-T , 2006
- 6- Comparison evaluation results and complication between operation surgery and PCNL in patients with renal stones , Dr A.A Asadpour , No: 1532 – T , 2003
- 7- Percutaneous nephrolithotomy in renal stones 5 years experiences , Dr A. Barzegarnejad , No : 1356 – T , 2001
- 8- Evaluation of results in jilvernet antireflux and teflon injection in patient with UVR , Dr M.M. Rahmani , No : 1075 – T , 2000
- 9- Urinary tract evaluation tissues in patients with urinary stone treated in Imam Reza hospital , Dr M. Farzin , No : 1824 – T , 2006
- 10- Percutaneous nephrolithotomy in renal stones first report , Dr H.R Kianian , No : 910 – T , 1997
- 11-

تخصصی استاد راهنما	۱۸۲۴-ت	بررسی آسیب شناختی تغییرات پوشش دستگاه ادراری (اروتلیوم) در بیماران عمل شده به علت سنگ ادراری - دکتر محمود فرزین
-----------------------	--------	--

## **B : General Physicians thesis :**

1. Evaluation of PSA and free PSA level in serum and saliva in normal males between 40 to 70 years old , E. Vafakhah , No: 6133 , Oct 2008
2. Attitudes of the students of Mashhad University of medical sciences toward Sport, sporty facilities and Athletic sport of the university 2005-2006 , H.R Rahimi & M Agheltar , No: 6151 , Sep 2008
3. Evaluation of results of ESWL in ureteral stone in patients referred to Imam Reza hospital from 21 Jun 2006 to 15 Jun 2007 , M.S Satari , No : 5960 , 2007
4. Comparison the results and complications between standard and tubless PCNL , J. Sadidi , No : 5812 , 2006
5. A retrospective study for urologic complications after transureteral lithotripsy (TUL) procedure in 100 patients referred to Imam Reza hospital between 5/2002 – 5/2003 , M. Namjou , No : 5474 , 2004
6. The study of demand radio and effective agents in blood transfusion after the operative international for benign prostatic hyperplasia from beginning of April 2003 to end of Jun 2006 , H. Jalayer , No : 6064 , 2007
7. Evaluation vesicoureteral reflux In admitted patients in department of Urology Imam Reza hospital between 1996 – 2001 , A. Shahi Nairry , No : 5340 , 2002
8. Percutaneous nephrolithotomy in patients with obstruction uropathy (Etiology – Teching ) complications results in department of Urology Imam Reza hospital , M. Mohammady Sany , No : 4686 , 2001
9. Results and successful ESWL in patients with upper ureteral stones , M. Salary , No : 5359 , 2004
10. Assessment sexual function (Libid Potency – Fertility ) in pediatric CRF before and after renal transplantation , H. Eftekhary , No : 5008 , 2002
11. Evaluation ethiologic of epimidiology complications and results in 200 persion with vasectomy , H.R. Ghasemy , 2002
12. Evaluation renal mass in patients in department of Urology Imam Reza hospital between 1994 – 1998 , S. Meshkat , No : 4448 , 1999
13. Diagnostic and therapeutic evaluation in patient with undesendent testis in department of Urology Imam Reza hospital between 1994 – 1998 , E. Taherian , No : 4443 , 1999
14. Radical cyctectomy and creation new bladder with using intestine in patients with bladder cancer , M. Emady , No : 4434 , 1999
15. Surotal mass in patients in department of urology Imam Reza hospital , M.Ramazani , No : 4634 , 1999
16. Ureteropelvic junction obstruction and report of 17 cases in Khatamolanbia hospital - Zahedan , A. Hasani , No : 29 , 1993
17. Evaluation of upper urinary tract anomaly incidence in Khatamolanbia hospital – Zahedan , E. Alavian , No : 14 , 1993
18. Reported of 60 cases with hypospadiasis in department of Urology Khatamolanbia hospital – Zahedan , S. Hematy , No : 28 , 1993
19. Evaluation of 100 cases with bladder stone in Katamolanbia hospital – Zahedan , P. Darabi , No : 19 , 1992

20. Evaluation of 100 cases of undescend testis with anomaly in Katamolanbia hospital – Zahedan , A.A. Abazary , No : 23 , 1992
21. Bladder tumor and evaluation bladder tumor in Katamolanbia hospital in 4 years Zahedan ,H. Rajaeean , No : 82 , 1994
22. Incidene and treatment of stagh hone stone in Imam Reza hospital – Mashhad , M. Zolfaghari , No : 3684 , 1995
23. Percutaneous nephrolithotomy in patients with obstructed urophaty and reports of 70 cases , D. Shaidaey , No : 3987 , 1996
24. What is the best treatment in lower ureteral stone “Evaluation multiple treatment in lower ureteral stone” , M. Rahimi , No : 4635 , 2000
25. Complication ESWL and uretroscopy in lower ureteral stone “5 years experiences” , M. Masoomzadeh No : 4286 , 1998
26. Experiances with 100 cases with hypospadasis in department of Urology Imam Reza hospital Mashhad , K. Nazemian , No : 4460 , 1999
27. Evaluation genital anomaly in 2500 male new born in Imam Reza and Ghaem Hospitals. J. Maleki & A.A. Amjidany , No : 3989 , 1998
28. Evaluation of urinary stones in 1000 cases with urinary stone analysis treated in Imam Reza hospital , S.M. Hoseini , No : 4077 , 1998
29. Comparison between open surgery and percutaneus nephrolithotomy in staghorne stone , A.R. Raoofi , No : 4312 , 1999
30. Evaluation of upper urinary tract anomaly in patients admited in Imam Reza hospital , A. Darbanian , No : 3681 , 1995
31. Stress urinary incontinence in female treatment with suspention (2 years experiences) , M. Rostamy , No : 4193 , 1998

### *15. Honors & Awards:*

### *16.Additional Skills:*

Football and Tennis

Computer and Internet

*17. Managerial Skills:*

*18. Qualifications:*

**Under Graduate:**

Medical MD ( doctor of Medicine), Mashhad University of Sciences. 1986

**Post Graduate:**

National Board in Urology. 1991  
Follow ship in Endourology 1988
